LED Exit Signs Rebate Regulations

LED Exit Sign Rebate Up to \$75 per sign

50 Rebates Available

This rebate is to encourage commercial customers of UCNSB to install new, energy efficient LED exit signs in order to reduce energy consumption and save on energy bills.

Your business is required to have exit signs and they must be illuminated. An easy equipment change can reduce your energy bill by \$25 a year per sign. Change out your old fluorescent exit sign for a new LED (light emitting diode) sign that uses 90% less energy and lasts over 50 times longer.

Program benefits include:

- A rebate of the cost of the sign, up to \$75
- Estimated savings of \$25 annually per sign on your UCNSB bill
- Avoid fines from the Fire Marshall – LED signs last for years without needing to change light bulbs.

Eligibility: Must be a UCNSB electric commercial customer.

Business Rebate Amount: Cost of sign, up to \$75

- Up to \$75 available for each LED exit sign installed.
- Maximum rebate of five signs for each UCNSB commercial account location
- Only new exits signs replacing an incandescent or fluorescent exit sign qualify.
- Non-electrified (such as tritium) and remote exit signs are not eligible.
- Retrofit kits are not eligible.
- New exit signs must meet UL-924 requirements.
- New exit signs must meet all applicable fire codes
- Exit signs must use ≤ 5 Watts and have a minimum product life of 10 years or be listed as ENERGY STAR qualified.
- New exit signs must be purchased and installed within the same fiscal year of the rebate program (by Sept. 30, 2010).
- All rebate forms must be accompanied by a receipt for both the equipment and installation of the new exit sign.
- **Photo of old sign(s) must accompany application.**

Restrictions:

- **All rebates are subject to approval and contingent upon fund availability.**
- **Rebates are subject to change without notice.**
- **Additional restrictions may apply.**

How to Apply for a Rebate

- Print out a rebate form online at www.ucnsb.org or contact us at (386) 427-1361 for a rebate form by mail.
- Contact a qualified contractor for purchase and installation.
- Complete the rebate form and bring it in with photo of old sign(s), and receipts for new signs and installations to 200 Canal Street. You can also mail it into UCNSB Customer Service, P.O. Box 100, New Smyrna Beach, FL 32170-0100.
- Rebate will be issued in the form of a credit on your Utilities Commission, City of New Smyrna Beach account. Please be sure the full and correct account holder name and number is on the rebate form. Please be sure to use your new UCNSB account number.
- Please allow 2 to 4 weeks for processing.

For additional information or to find out if you qualify for a rebate please call Customer Service at (386) 427-1361.
